

Penn at COP28

UNITED NATIONS CLIMATE CHANGE CONFERENCE
NOVEMBER 30 – DECEMBER 12, 2023

Since 2019 the University of Pennsylvania has been an official observer to the United Nations Framework Convention on Climate Change (UNFCCC). 2023 marks Penn's fourth year attending the annual climate conference as a formal delegation. Penn attendees contribute to COP in a variety of ways, including participating in committee work, supporting the negotiations, implementing partnership programs, attending information sessions, and presenting timely research. This flyer serves as a guide to featured events Penn is hosting.

Penn is hosting dozens of COP28 events. Scan the QR code for a full list and to learn more about Penn's engagement at COP28.
